Ordinary People. Extraordinary Life.

Abraham and the promised land. David and the temple. Esther and the exiles. Nehemiah and the walls of Jerusalem. Peter and the early church. Martin Luther and the Reformation. What do each of these people have in common? For that matter, what do they have in common with us?

First, they were ordinary people. By his powerful Spirit, God used them in extraordinary ways to lead his people and advance the movement of his kingdom. This has been the pattern God has used since the beginning of time – using ordinary people to accomplish extraordinary things for his glory.

While it may be easy to settle and say to ourselves, “I’m not one of them” – not so fast! In the same way, each of us is an ordinary person, but lives in the same power of the Spirit, and has the same potential to lead a kingdom movement among the people he has given us, in the places where God has put us, here and now.

Second, they had vision, a picture about a future God was laying out before them. Vision answers the question: Where are we going? Whether they heard from the Lord directly, or had an intuition about the next right thing to do, each of them was keenly aware that the stakes of their leadership were high. Much depended on submission to God’s will and doing their best to lead those he had entrusted to them to experience a better future.

As many of you have already heard, after months of work and thousands of hours of prayer, discussion and discernment, we believe we have greater clarity on the next five years of our life together at Our Father – an exciting future of being the kind of church family where we take seriously Christ’s invitation to be his disciples in our everyday lives and learn the tools to make disciples in our sphere of influence.

Finally, each had a mission, a sense about who they were, and where they were heading together. Mission answers the question: What do we do? While each of these people struggled to live out their identity, they were used by God simply where they were, to make a difference in things that matter, and had his grace the whole way through.

The same is true for us at Our Father. We are ordinary people who know and share extraordinary life in Christ. With a mission, we have a sense of who we are, and a compass that points us in the right direction and gives shape to our day to day lives. For six weeks, beginning October 29-30, we’ll take time to unpack the parts of this mission statement and apply each one to our lives.

I’m proud to be a pastor at Our Father. This is an exciting chapter in the story of our life together. And I’m proud to be an ordinary person with an extraordinary life in Christ. Just like you.

Pastor Nate Peregoy

November 2016
Many are Asking, “What Happens Next?”

Around 180 people attended the first Inform Forum on Sunday, October 23. A bold new 5-year vision for Our Father was presented by Pastor Abel along with reasons for conducting the Arise! Mortgage Reduction Campaign now. If you were unable to attend or would like to hear more, make plans to attend one of the eight Inform Forums being held in early November. Sign up on a Yellow Sheet or at www.oflc.net.

The next congregational event is **Tuesday, November 15, 6:30 pm** at Our Father. There will be a short worship time in our Sanctuary along with a social gathering in our Fellowship Hall. This Initial Commitment event is where the first 3-year financial commitments will be received from our members who have prayerfully considered their financial gifts to this campaign which supports the new ministry vision.

The next opportunity to make your financial commitment will be **Saturday, December 3** and **Sunday, December 4**. We hope to receive the majority of our members commitments over this celebration weekend.

**Living as Children of a Generous God**

Our Arise! campaign can serve as an excellent stewardship training time for children. Parents can teach their children at an early age about the value and use of money, allowing the children to grow in their own stewardship.

To invite the children to be a part of our campaign, the Sunday School classes (ages 3’s - 6th grade) will have a new lesson plan for November (Living as Children of a Generous God). The MS/HS Youth will perform skits for the children each week and there are discussion questions and craft ideas for the teachers to use. We are also doing can banks, decorated by the children. Each week they are encouraged to bring a different coin/bill (first nickels, then dimes, then quarters and lastly dollars). A letter will be sent home to the parents that explains the banks and the offerings.

On **Sunday, December 4**, when the parents bring their commitment cards forward during the church service, the children will be able to bring their banks and put them on the altar. We know that kids don’t just want to hear about mission, but want be personally involved.

Diane Oppenheim
Children’s Emphasis Director
“BAGS OF DOOM”

The youth emphasis within the Arise! campaign is focused on cultivating the meaning and purpose behind the word "stewardship". This includes the giving of our time, talents and resources. Our youth recognize and appreciate the support received from the congregation.

The youth are divided into three age groups by school grade: 5-6, 7-8, and 9-12. Through the month of November each group is receiving customized instruction in Stewardship and in addition, have established goals they will be working towards in support and participation within the campaign.

Listen for, or ask a youth member about the phrase “Bags of Doom” which we are using as the fun side of the incentive within the campaign.

Philip and Sara Winkler
Youth Emphasis Directors

Prayer of the Month

Jesus, make us hungry for Your work in raising us up as workers for the harvest fields that you place us in. Nourish us with your Word and Sacraments, that we may make a difference in our communities. Help us to live with a sense of desperation and dependency on God to supply the workers that are needed for the vast harvest that you place before us. Let us see that the sending of workers into the harvest is Your work and not ours alone. In Jesus name, Amen.

Arise, shine, for your light has come, and the glory of the Lord has risen upon you.

Financial News

Third Quarter Financial Summary
Through September 30, 2016

Our General Offerings are running 2.2% above budget by $21,324. Program income is higher than budgeted because designated gifts to Missions were twice as high as planned.

Personnel expenditures were less than expected because positions like the Director of Worship were filled later than planned along with lower professional expenses. Property expenses continue to run below budget in general repairs and upkeep, gas and electric utilities, and janitorial costs. All other budget variances are reasonable at this time of year.

We are celebrating Jesus’ birthday with birthday cake and need several 9x13 pan sized cakes made and simply decorated. If you can help or can volunteer to make a cake, email Becky at Becky@markgam.com. (We need a couple gluten free cakes too, both Pillsbury and Duncan Hines have a box mix.)
