

# Our Father Children's Learning Center

---

Our Father Children's Learning Center provides an extended Christian preschool experience for children of Our Father Lutheran Church and the surrounding community. Our dedicated professional staff carefully prepare a variety of learning opportunities for the children which foster social, intellectual, emotional, physical, and spiritual growth. We encourage independence, responsibility, and confidence in each child in a loving Christian environment.

The preschool is in session Mondays through Fridays from 9:30 am to 1:30 pm. The school year begins the week of Labor Day and ends before Memorial Day. Children must be 2 ½ years old by September 15th to be enrolled.

## Enrollment Process

Registration for the fall begins in January for currently enrolled students and siblings. New families will begin enrollment later in January. There is a \$50 non-refundable registration fee when your child is placed into a class for the fall. A waiting list will be kept for all ages according to registration date.
