

LET THE FEAST BEGIN!

Now that November is upon us, the children will discover exciting things about the Pilgrims, Native Americans, and turkeys. The classrooms will soon be decorated with cornucopias and turkeys of all shapes and sizes. The children will learn about the first Thanksgiving, friendship, and sharing. We will have a real Thanksgiving feast with everything from turkey to pumpkin pie!

We look forward to this time of praise and thanks to our Lord for all His blessings.

PLEASE CALL WHEN YOUR CHILD IS SICK

Please give the office or your child's teacher a quick call (or text) and let us know why your child is missing school. If your child is sick, please let us know what illness they are experiencing. We like to know what is happening so we do not worry about them! We are also required to keep a Sick Log for Tri-County Health to track illnesses and make sure we do not have an outbreak. Thank You!

PICTURE DAYS!

We have a new photographer this year! We will be taking all the children's pictures on the morning of Nov. 6 or 7. There is no charge for the sitting – you will receive proofs and decide if you would like to purchase pictures at that time. We will take pictures of siblings together if they attend the preschool. If you would like to have pictures of siblings who are not attending the preschool, come at 9:00am - **please sign up in the office so our photographers know you are coming.** Questions: info@lilangelphoto.com

CHILD PHYSICAL UPDATE

Your child's health form must be updated during the school year when your child has his/her birthday. We will put a new health form in your child's cubbie at the beginning of his/her birthday month. Please have the doctor fill it out during the yearly physical and return it to the office. Thank you!

BOOK FAIR

Stop by the hallway and view all the wonderful Usborne books Dec. 3-6. What great Christmas gifts! You may also purchase books for your child's classroom and the school library. We will have a wish-list available.

SNOW DAYS

Please remember, if Cherry Creek **and/or** Littleton Schools are closed – we are also closed for the day! If either district is delayed, we will open at 10:00am.

PLEASE PUT YOUR CHILD'S NAME IN COATS, BOOTS, MITTENS, & HATS SO WE CAN RETURN THEM IF THEY ARE MISPLACED!!
